

HQ USAF ROD AND GUN CLUB

MEMBERSHIP APPLICATION/RENEWAL

(1 Oct 99 - 30 Sept 00)

The HQ USAF Rod and Gun Club provides opportunities for the outdoor enthusiasts, skeet and sporting clay shooters, as well as those hunters and fishermen eager to experience that part of Virginia, Maryland, and the surrounding area which are off the beaten path. One of the best benefits from club membership is the chance to meet hunters and fishermen who have been in the area for years and to share in their knowledge of the region's outdoor activities.

The Club is open to Air Force and active duty members, Air Force civilian employees, Club members in good standing, and their dependents. Club membership must be at least 51 percent active duty and civilian Air Force. There is a waiting list for sister service, other DoD civilian, and military retiree applicants.

Basic membership provides delivery of the club newsletter produced at least quarterly, special club rate sporting clays, and other club-wide activities. Division dues add access to hunting preserve shoots, guided hunts, charter fishing trips, all at special rates, plus other activities as organized by the club membership. Family membership covers your entire immediate family. Members may be as active as they desire. Many activities are offered at substantially reduced rates over commercial costs.
